

Powerpay

Preferred Rates Program

Exclusively for Systemic Healthcare Solutions

Every minute counts for a small business. With Ceridian Powerpay you can pay your employee quickly, accurately, and easily from anywhere. As your business grows, Powerpay's suite of solutions can help you save even more time.

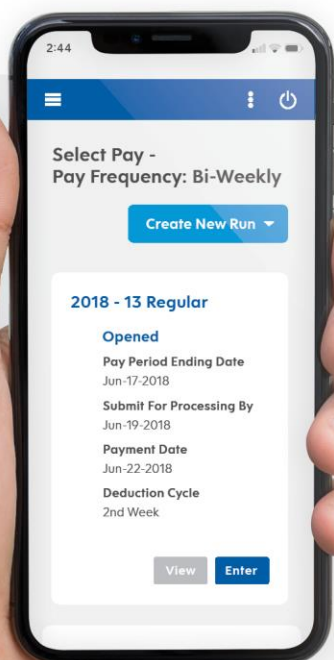

Time & Attendance

Automated employee time tracking means fewer costly mistakes from manual data entry, as well as streamlined time sheets and simplified pay calculations.

Advisory

Get the legal and HR advice you need to make informed decisions and resolve issues with speed and certainty with Ceridian's HR Advisory Services.

Small business payroll software that simplifies how you process pay and tax

Process payroll anytime

Automated payroll processes to make life easier for you. Pay your people accurately from anywhere.

Meet payroll compliance

We help you manage compliance with federal and provincial regulations. Get help staying up to date with legislation, employment records, tax filings, and T4s.

Do payroll on mobile

Stop spending countless hours on manual time sheets, so you can add valuable time back to your day.
